DECLARATION UNDER RULE 132

Glen T. Cunkle, the undersigned, states:

That I received a Ph.D. in Chemistry from University of Wisconsin, Madison, WI, 1984;

That I have been employed by Ciba Specialty Chemicals Corporation since 1988;

That I have approximately 23 years of chemical research and development experience; that from 1988 to date I have worked in the Research and Development laboratories of Ciba-Geigy Corporation and Ciba Specialty Chemicals Corporation;

That I invented the subject matter disclosed in WO 99/05108 and U.S. Pat. No. 6,254,724 and relied on for the art rejections during the prosecution of this application. Specifically, I invented compounds (a)-(j) on page 55 of WO 99/05108, which compounds are also disclosed in col. 25 of U.S. Pat. No. 6,254,724.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
